NYO Inspire Day is your chance to experience a breakthrough in your playing skills and reach the next level of orchestral brilliance. Spend an immersive day in workshops and rehearsals, focussed on peer learning and sharing with NYO musicians. Through this open exchange, you'll develop your ensemble playing and explore ways of listening whilst sharing the joys of music in a friendly environment. You'll then showcase what you've learnt in an informal performance for family and friends.

'NYO Inspire has been a life-changing experience. Being inspired by other musicians with such a fiery passion has opened my heart to a million opportunities I want to pursue as a violinist.'

DAISY, NYO INSPIRE MUSICIAN

Who can Apply?

NYO Inspire provides orchestral opportunities to musicians underrepresented in the sector, which is why applications are only open to Black and minority ethnic (BME) musicians or musicians who are state educated or home-schooled. The days are aimed at Grade 6-8+ teenage musicians, aged 13-18.

The deadline is Monday 3 February 2020.

For more details and to apply please visit nyo.org.uk/inspire

It's Free!

NYO is for teenage musicians who would benefit most from the opportunity, irrespective of means, which is why we fund all places as a charity. If you have the means to contribute, we are grateful for your support and you can donate at nyo.org.uk/please-donate
